Erratum to: the role of previously unmeasured organic acids in the pathogenesis of severe malaria

M. Trent Herdman¹, Natthida Sriboonvorakul^{1,2,3}, Stije J. Leopold¹, Sam Douthwaite¹, Sanjib Mohanty⁴, M. Mahtab Uddin Hassan⁵, Richard J. Maude^{1,6}, Hugh W. F. Kingston^{1,7}, Katherine Plewes¹, Prakaykaew Charunwatthana^{1,3}, Kamolrat Silamut¹, Charles J. Woodrow^{1,6}, Aniruddha Ghose⁵, Kesinee Chotinavich^{1,3}, Md Amir Hossain⁵, M. Abul Faiz⁸, Saroj Mishra⁴, Natchanun Leepipatpiboon², Nicholas J. White^{1,6}, Nicholas P. J. Day^{1,6}, Joel Tarning^{1,6} and Arjen M. Dondorp^{1,6*}

After publication of the original article [1] it was found that author Aniruddha Ghose was accidentally omitted from the list of authors. This has now been corrected with this erratum. The updated 'Authors' Contributions' section reads as follows:

MTH, NS, and SJL drafted the manuscript. NS, NL, and JT devised and performed LCMS analyses. NJW, NPJD, and AMD conceived of the study. SD, MTH, RJM, MAE, MMUH, MAH, SMo, SMi, CJW, and AG contributed to the design. MTH, SJL, SD, RJM, HWFK, KP, PC, KS, and KC provided clinical and diagnostic data collection and critically revised the manuscript. All authors read and approved the final manuscript.
